|----------------------------|----------------------------------|
| Ken Paduch, President | James Pou, Member at Large |
| Kim Burch, Vice President | Keith Munki, Member at Large |
| Jeff Dove, Treasurer | Dianna Kilgalen, Member at Large |
| Brenda McCarthy, Secretary | |

This is the first meeting with newly elected officers/board members. Our mission is to convey a positive attitude, engage with members, work together as a team, and of course RIDE our BIKES!

For the record, Andrea Cross resigned as Member at Large because of time constraints.

Jersey Update

Jerseys have shipped and are scheduled to arrive around April 15, 2021. Keith will send an email when merchandise arrives and coordinate delivery on ride days.

Ride Leaders

Ride coordinator James Pou, will work on getting the ride calendar updated on CSO website. All ride leader volunteer names, ride day of week and pace will be confirmed before then.

Ride protocol will be established such as signing a waiver if not a member, template for positing rides, and social distance guidelines.

Finances

There is currently \$1,633 sponsor money in reserve and \$2,700 in PayPal account. A more detailed financial position will be given in the next meeting.

Jeff and Ken will go to APG in the near future to get Ken's name on the account and others off. The Board talked about changing banks because it is very difficult to get problems resolved at APG in a timely manner.

Membership

Kim sent an email to all that have yet to renew. Membership stands at 103.

Opening Day

Dianna will research someone to perform Blessing of the Bikes on opening day.

Need photographer for opening day.

More discussion is needed on what opening day will look like, for example, who will lead rides, start time, routes.

Misc.

Facebook should be used more to convey ride information, club activities, safety issues and other topics relating to riding.

The subject of First Aid training for ride leaders was discussed. Ken will email Mike Leaf on liabilities, if any, of giving First Aid to an injured person. If it is realistic to do so, Ken will ask for paramedic or EMT volunteers to train ride leaders in basic First Aid practices.
